Task 2	Workly Responsive Landing Page – a modern business website layout	HTML • CSS • JavaScript	Scroll animations and Dark/Light theme toggle
Task 3	Contact Form – responsive contact page with validation	HTML • CSS • JavaScript	Success message with fade-in effect
Task 4	Collapsible Sidebar – sidebar navigation with toggle	HTML • CSS • JavaScript	Smooth toggle animation
Task 5	Blog Homepage – category-based blog with search and pagination	HTML • CSS • JavaScript	Category filter, Search, Pagination

(Folder numbers match my GitHub repository structure, not the order in the internship PDF.)

Extra Effort for Badges

- Completed 5 tasks instead of the required 4
 - Added bonus features to every task
 - Maintained a clean GitHub folder structure with clear names (Task 1, Task 2, etc.)
 - Ensured responsive design for mobile and desktop

Acknowledgement

I would like to thank Elevvo and the mentor team for providing this valuable learning opportunity.

Completing these tasks strengthened my skills in HTML, CSS, JavaScript, responsive design, and UI/UX best practices.

Regards,

Deviya Bai
